

Report to ASOR Spring Meeting 2012 of ASOR CAP AFFILIATED PROJECTS

Submitted by CAP Chair: Øystein S. LaBianca, Andrews University

Dear Fellow Board Members: The purpose of this report is to share the latest up-to-date listing of CAP affiliated projects according to countries and types of projects and also to share an analysis of projects based on gender of project director. All of the projects listed here have been approved for three years. As reported in greater detail in my last report, the CAP chair continues to work with his committee and staff on making the CAP affiliation process interactive via the www. In summary, we have 70 Total Projects; 36 Field Projects, 34 Publication Projects. These represent the following countries: Cyrus: 11 Projects (6 Field, 5 Publication); Egypt: 1 Project (Publication); Israel: 23 Projects (9 Field, 14 Publication); Jordan: 26 Projects (17 Field, 9 Publication); Syria: 3 Projects (Field); Turkey: 2 Projects (1 Field, 1 Publication); West Bank: 3 Projects (Publication); and Bahrain: 1 Project (Publication); and Bahrain and Saudi Arabia: Dilmun Bioarchaeology Project.
