To: ASOR Trustees
From: Board Chair B. W. Ruffner

Dear Friends:

I'm sorry to tell you that I won't be joining you in Houston. I've injured both knees, required surgery, and am now in braces that would make it impossible to sit in an airplane seat. I should be completely healed by November and look forward to Atlanta.

With your leadership, energy and commitment ASOR is moving in the right direction.

I have asked Susan to chair the Board meeting; I won't be missed.

With best wishes,
B W. Ruffner
