## Directions to the Lanier Theological Library:

Street Address (not mailing address) Lanier Theological Library: **14130 Hargrave, Houston, Texas 77070**

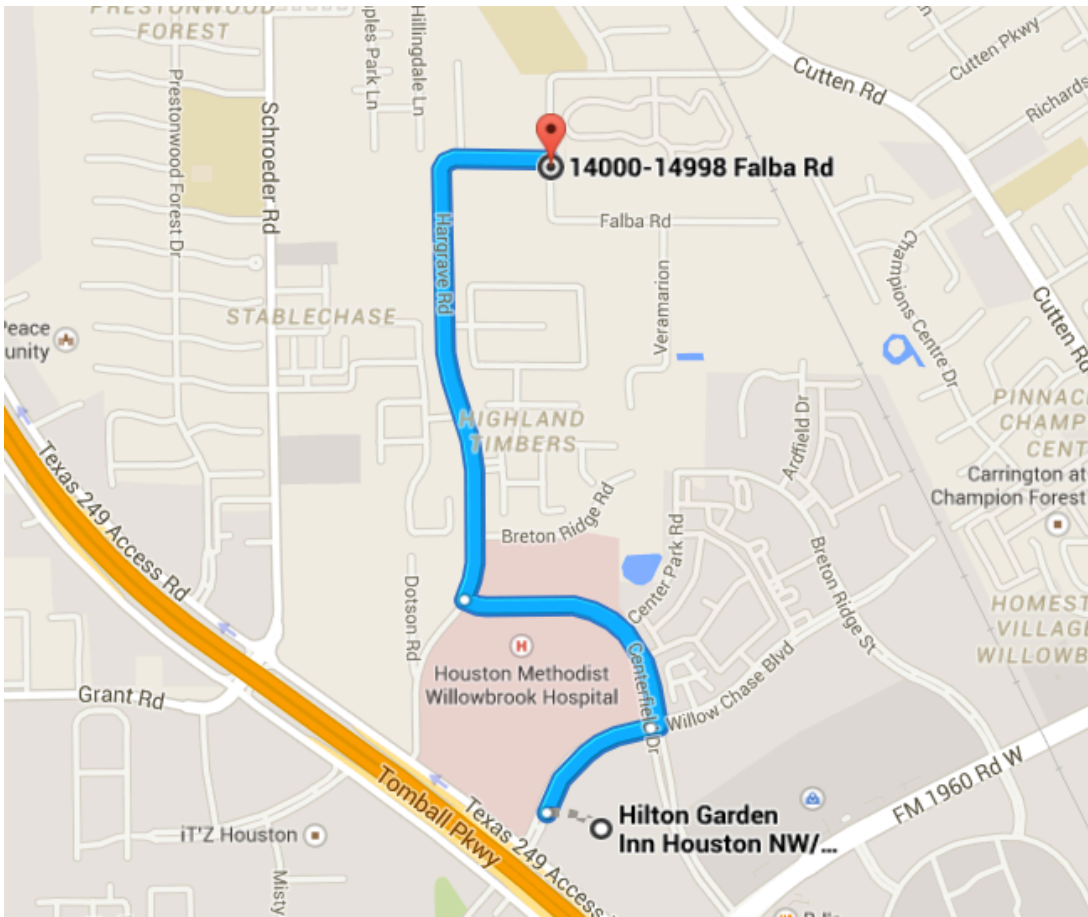

If you use a GPS, please go to Falba Road and not Hargrave (just about 50 feet apart)

Enter at the Falba Gate (call 281-477-8400 for access)

Directions: Please see screen shots on next page or use a GPS to travel to the Lanier Theological Library. Please note that trustees and guests should use the Falba Gate (which is about 50 feet to the right [if you are facing the Library complex] if you use a GPS to direct you to 14130 Hargrave). We have been requested to use this gate because this is the only gate that the staff can open from inside the Library. At the gate, each driver should use a cell phone to call 281-477-8400 (posted at the gate) for entry. Just inside the gate, please turn left for paved parking for the first 30 cars. If that lot is full, you can usually park cars on the open field beyond the paved parking. There is also parking behind the library. To access the parking lot behind the library, please go right just inside the Falba gate. See the schematic map below for the location of the Library and Parking in relation to the Falba Gate. The Dining Room (location of the Saturday ASOR Board meeting) is directly in front of the Chapel but not marked on the map below.
